## EDUCATION SERVICE

14 December 2021

Dear Geraldine,

Congratulations to you, the governors and all of the staff and pupils of Blessed Dominic Catholic Primary School on this glowing inspection report.

The report highlights the diligence and passion of all staff and their unwavering commitment to providing outstanding Religious Education for the pupils of Blessed Dominic. The pupils in your care are nurtured and challenged in such a way that learning is both enjoyable and fruitful. There is a definite strive for excellence, but of particular note are the high expectations set for every member of the community and the support afforded to ensure they are met. I have no doubt that your focus on the 'Common Good' guarantees that pupils make a valuable contribution today, tomorrow and for life. Pupils are provided with a rich Catholic experience where the Gospel message is at the heart of all that is undertaken. The strength of the partnerships developed with the parish and parents is a real feature of the school and helps to secure the best quality of Catholic education for the pupils.

As always, it is the quality of leadership, the vision and inspiration of the head and her leadership team, together with governors, that enables a school to ensure pupils receive the best Catholic education.

The report has now been published on the Diocesan website, it is, therefore, ready for you to share with parents and to publish on your website.

We want to improve the quality of what we do and your reflections on the process will help us with that. To that end, I would be grateful if you would complete the attached monitoring form and return it to me at your earliest convenience.

With every good wish and warmest congratulations.
