Thursday 28th March 2024

Dear Parent/Carer,

It's hard to believe that today is the last day of the Spring Term. On Tuesday and indeed this morning, Years 3& 4 presented the 'Stations of the Cross' to remind us of the important events that led to Jesus' glorious resurrection on Easter Sunday. Well done to all the pupils and staff in Years 3&4 for a beautiful and most moving presentation on the Passion of Our Lord Jesus Christ. A lot of hard work and effort went into preparing the presentation. Congratulations to all those who read, sang and participated in the drama. We are very proud of you.

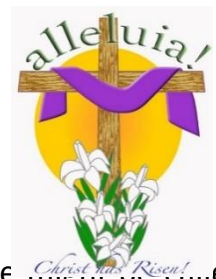

I would like to wish you a very happy, holy and restful Easter break.
Best Wishes Mrs Pears

This Sunday is Easter Sunday (Year A)

Lord God,

You loved this world so much that you gave your one and only Son, that we might be called your children too. Lord, help us to live in the gladness and grace of Easter Sunday, every day. Let us have hearts of thankfulness for your sacrifice. Let us have eyes that look upon your grace and rejoice in our salvation. Help us to walk in that mighty grace and tell your good news to the world. All for your glory do we pray, Lord,

Amen.

EASTER RAFFLE 2024

A sincere thank you to all those who contributed toward the Easter raffle by donating eggs, prizes and buying raffle tickets. I would like to congratulate the prize winners and remind all the children that they are also winners as the money raised will go towards purchasing additional school resources, which they will benefit from.

We raised - £572.00

End of term reminder:

EASTER HOLIDAYS DATES

Friday 29th March – Monday 15th April 2024

(Please note that Monday 15th April is an INSET day).

Children return to school on Tuesday 16th April 2024 from 8.40am

GOVERNORS' FUND WE NEED YOUR HELP!

Thank you to everyone who has responded this term with either a termly or complete payment for the year. The Governors would like to thank you for your generosity and support. **21%** of parents have donated so far this term so please, if you haven't done so already, make your payment on 'Parent Pay'

Your ongoing generosity and support is greatly appreciated. It means that we can continue to purchase high quality resources to support your child's learning and enable us to keep the Breakfast and After School clubs running.

BREAKFAST CLUB

Children from Reception to Year 6 upwards are able to attend our Breakfast Club, where they are able to eat a filling, nutritious breakfast and prepare for the school day. This runs from 7.55am until 8.30am and the cost is £3 per child.

School Meals

All Primary school children in state-funded schools in London get free school meals for the 2023-24 school year.

The Mayor of London, Sadiq Khan provided the funding as an emergency cost of living support measure recognising that families are in urgent need of support and the meals will help families with the spiralling cost of living, making sure that children in state-funded London schools will receive free school meals in this academic year.

We are happy to confirm that the Mayor is extending the funding for **Universal Free School Meals for Key Stage Two** for another academic year 2024-25. We encourage you to take advantage of this free offer. It means that all children from Reception to Year 6 are entitled to a hot school dinner every day.

LOST PROPERTY – PLEASE LABEL YOUR CHILD’S UNIFORM!!!

The lost property box is overflowing. The best way to make sure that your child's belongings are not lost is to ensure **all items of school uniform are clearly named**. Wherever possible, named lost property will be returned to your child's class. It is very upsetting to see brand new uniform abandoned and staff cannot return the item of uniform to its owner as there is no name on it.

Any items that are unnamed will be kept in the school office. After we have had the items for two weeks they will be either: sent to recycling, added to the second hand uniform sale or kept in school for use in emergencies e.g. when a child is sick.

Please help us in reuniting lost property with its owner by labelling all of your child's property - this includes shoes, lunchboxes and water bottles.

Please regularly check the uniform your child brings home - it is very easy for items of uniform to get mixed up. If this has happens please can you bring back anything you find that isn't your child's and we will reunite it with its owner, who will probably have your child's item! This includes lunchboxes and water bottles.

Children should be encouraged to look after their belongings and we will positively encourage this attitude in school. Please also do this at home.

Parking near the school site and considerate road use

We have received a number of complaints from the school's neighbours regarding inconsiderate, and often illegal, parking by parents accessing the school in the mornings and afternoons, including parking on the zig-zag lines outside school and parking on double yellow lines. Please may I remind you to consider the following:

- **Walking wherever possible.** Not only is this a healthy way to get some exercise, but it supports the local community with congestion. In addition, it is much better for the environment.
- **Parking responsibly.** As with the majority of primary schools in the country, we do not have a 'parent' car park. If driving is essential when dropping off or collecting your child, please park considerately and ensure you are not obstructing drives, garages or access to roads. Parking irresponsibly causes upset and frustration for all, which can lead to unnecessary confrontation Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited.
- **Turning off your engine.** An idling car can produce up to twice as many exhaust fumes than a moving car, which contain harmful pollutants that significantly affect the local quality of air - putting people's health at risk, affecting children's development and contributing towards climate change. By reminding parents to turn their engines off whilst parked, we can help protect young lungs and create a cleaner, greener and healthier borough."

Our children's safety is our main priority and this includes their journey to and from school. We appreciate your support in this matter.

Please note the RAF Museum is providing 40 minutes free parking for all our parents/carers to ease the congestion on Great Strand.

Please make the most of this facility.

Online Safety information for parents

Our pupils are growing up in a world of ever-changing technology. While we feel that the use of technology is a largely positive aspect of modern life, we cannot ignore the risks that can be associated.

Throughout school we aim to teach children:

- About the impact of cyber-bullying and what to do if they have been affected.
- To be vigilant when communicating online recognising that people may not always be who they say they are and to be sensible about what they share.
- To tell an adult they trust if something is upsetting them.
- To question the reliability of information given through a web based source.
- To search responsibly for information while using internet browsers.

We understand that much of our pupil's use of the internet will occur at home, away from the school filters.

Below are a list of useful websites, advice and resources that you may find helpful when navigating the issue of online safety with your child. At the bottom of this page are resources that your child can directly access as well to help them learn about online safety.

Criteria for Attendance and Punctuality –

From our Education Welfare Officer (EWO).

In an effort to improve attendance and punctuality across the school, we will be implementing the fixed penalty notice scheme for both persistent ABSENCE and persistent lateness.

Recently, our Barnet Education Welfare Officer came to review our attendance. She can see that the overall trends of attendance are improving but there is still work to do.

There are quite a few children who have attendance below **90%**. *This figure is significantly below the national average and is considered as persistent non-attendance.* **96%** attendance is expected by the school and the Education Welfare Team for children to achieve their educational potential. Children who are unwell (e.g., sickness, vomiting or high temperature) should not come to school but children who are slightly under the weather should attend. Please be assured, that if we feel your child is ill, we will send them home.

When your child is absent for **more than three days**, we would expect all parents to substantiate with **medical evidence**. This could include:

- a stamped doctor's appointment card,
- Information about the medication your child has been prescribed (a photo can be emailed to the office or brought in on return to school).

As you know, we can administer medication on site (if it is prescribed by the doctor). The Education Welfare Team from the London Borough of Barnet regularly monitor our attendance. They may contact you if your child's attendance is significantly low (below 90%). This may be a letter or a phone call. Absences before and after school holidays will also be monitored. If there is not a sufficient reason to substantiate the absence, the Education Welfare Team will issue a fixed penalty notice.

Families should also be aware that the London Borough of Barnet will issue a fixed penalty notice to parents if children are consistently arriving late into school. Any 6 incidents of lateness within a four week period could result in this outcome.

If you are experiencing any difficulties with your child's attendance, please contact the school for further guidance. I would like to thank you for your continued support with regards to attendance.

We were delighted to be invited by Wates Group to watch the burial of the Wates/BD time capsule on Monday.

On Monday 25th of March, Blessed Dominic students were invited to visit Grahame Park's construction site to watch the burial of the Blessed Dominic time capsule.

When we arrived a kind worker helped us with our hard hats and we watched a construction worker dig a hole for the time capsule to be buried.

After the time capsule was buried a friendly worker, Steve, showed us around some newly built flats. They were very impressive!

It was lovely to be part of this project as this will be remembered in years to come.
