As part of this week's national Anti-bullying initiative, we held an 'Odd Socks' day to highlight the importance of being able to express oneself, celebrate our individuality and consider what makes us all unique!

Next Monday, we have our Anti-bullying workshop which will help our children to explore different scenarios and arrive at a clear understanding as to what to do in certain situations.

At Blessed Dominic Catholic Primary School, we teach our children about positive behavioural choices and how we can all set a positive example by opting to respect each other at school, in our homes, within our communities and online.

Best Wishes,

Mrs Pears

Wishing you a restful and happy weekend.

This Sunday the Gospel is **Matthew 25:14-30**

We will hear that we must make the best use of the talents we have been given by God.

*Generous God, you gave us a voice.
Help us shout loud for what is right and fair.
You gave us ears. Help us to listen to those in need.
You gave us talents.
Help us share and multiply them for the good of all your people.
Amen.*

For a donation of **£2.00**, we would like your child to wear a Christmas Jumper on Thursday 7th December 2023 to support this worthy charity.

If your child doesn't have a Christmas jumper, they can wear a jumper of their choice. They will also be allowed to wear casual trousers, jeans or leggings with their jumper.

School Meals

Primary school children in state-funded schools in London will get free school meals for the 2023-24 school year. The Mayor of London, Sadiq Khan has provided the funding as an emergency cost of living support measure.

The Mayor recognises that families are in urgent need of support and the meals will help families with the spiralling cost of living by making sure that children in state-funded London schools will receive free school meals in this academic year.

Please do not pay for school lunch on Parent pay

GOVERNORS' FUND WE NEED YOUR HELP!

Thank you to everyone who has responded this term with either a termly or complete payment for the year. The Governors would like to thank you for your generosity and support. Only **15%** of parents have donated so far this term please if you haven't done so already, make your payment on 'Parent Pay'

Your ongoing generosity and support is greatly appreciated. It means that we can continue to purchase high quality resources to support your child's learning and prepare them for the future.

Criteria for Attendance and Punctuality – Updates from our Education Welfare Officer (EWO).

In an effort to improve attendance and punctuality across the school, we will be implementing the fixed penalty notice scheme for both persistent ABSENCE and persistent lateness.

Recently, our Barnet Education review our attendance. She was disappointed to see that attendance wasn't as high as it used to be pre-covid times.

There are quite a few children who have attendance below **90%**. *This figure is significantly below the national average and is considered as persistent non-attendance.* **96%** attendance is expected by the school and the Education Welfare Team for children to achieve their educational potential. Children who are unwell (e.g., sickness, vomiting or high temperature) should not come to school but children who are slightly under the weather should attend. Please be assured, that if we feel your child is ill, we will send them home.

When your child is absent for **more than three days**, we would expect all parents to substantiate with **medical evidence**. This could include:

- a stamped doctor's appointment card,
- information about the medication your child has been prescribed (a photo can be emailed to the office or brought in on return to school).

As you know, we can administer medication on site (if it is prescribed by the doctor).

The Education Welfare Team from the London Borough of Barnet regularly monitor our attendance. They may contact you if your child's attendance is significantly low (below 90%). This may be a letter or a phone call. Absences before and after school holidays will also be monitored. If there is not a sufficient reason to substantiate the absence, the Education Welfare Team will issue a fixed penalty notice.

Families should also be aware that the London Borough of Barnet will issue a fixed penalty notice to parents if children are consistently arriving late into school. Any 6 incidents of lateness within a four week period could result in this outcome.

If you are experiencing any difficulties with your child's attendance, please contact the school for further guidance.

I would like to thank you for your continued support with regards to attendance.

Following School Uniform Policy

I would like to thank you all our parents who make sure their children arrive at school in the proper school uniform. We are really proud of our school uniform and expect all children to wear it. However, I have noticed increasing numbers of children who are not wearing correct school uniform—mainly this is children forgetting what's allowed and what isn't by neglecting to come to school wearing a PE kit on PE days or forgetting swimming kits. Lunches and snacks

Early Years Foundation stage and KS1 all receive a piece of fruit/vegetable as part of the government healthy eating scheme. This does not extend to KS2. Children may bring in their own fruit or vegetable for break, which should be kept separate from packed lunches. Biscuits, cakes, rice cakes are not acceptable. **Please keep packed lunches healthy.** They should not contain sweets or chocolate (A mars bar is chocolate, a Kit-Kat is a chocolate covered biscuit) and must not contain nuts of any kind as we have children with severe allergies. Please be careful with things like chocolate spreads and satay coverings, which don't look like nuts. Plenty of ideas can be found at <https://www.nhs.uk/change4life/recipes/healthierlunchboxes>

Road Safety Week

Blessed Dominic will be celebrating Road Safety Week

19th –25th November 2023

Did you know that a driver can see a pedestrian 3 seconds sooner if they are wearing or carrying something bright or reflective? That's enough to prevent serious injury or save a life!

Now that the clocks have gone back, evenings become dark much earlier and it becomes more difficult for drivers to see pedestrians.

Whilst we want children to get out and about more and have active healthy lifestyles, we also want them to be safe!

Help your child **be Bright** so they can **be seen** by making sure they are wearing something bright for daytime AND reflective for night time.

If you are buying a new coat for your child, look out for brightly coloured ones with reflective strips.
