

Science Curriculum Overview Map

		Autumn		Spring		Summer	
		1	2	1	2	1	2
EYFS (Understanding the World, Development Matters 2021)	Nursery	Biology Animals and Humans All about me	Physics Materials and Change of state Autumn/Winter	Chemistry Materials and Change of state Our World	Biology Animals and Humans Healthy Living	Biology Plants Growing	Biology Animals and Humans Minibeasts
	Reception	Biology Animals and Humans Ourselves	Biology Animals and Humans Festivals and Celebrations	Physics Earth and Space Our Planet	Biology Animals and Humans Amazing Animals	Biology Plants Growing	Physics Forces Transport
KS1	Year1	Biology Animals and Humans Parts of Animals	Physics Changing Seasons	Biology Plants	Chemistry Materials and Change of state Identifying Materials	Physics Changing Seasons	Chemistry Materials and Change of state
	Year2	Chemistry Materials and Change of state Use of Materials	Chemistry Materials and Change of state Changing Shape	Biology Animals and Humans Living Things	Biology Animals and Humans – Nutrition and Exercise	Biology Living Things Habitats	Biology Plants
LKS2	Year3	Chemistry Rocks and Soils	Biology Animals and Humans Movement and Feeding	Physics Forces Magnets and Forces	Biology Plants Parts of Plants	Biology Plants What Plants Need	Physics Light Light and Shadow
	Year4	Chemistry Materials and Change of state Changes of State	Biology Living Things Grouping Living Things	Physics Electricity	Physics Sound	Biology Living Things Dangers to Living Things	Biology Nutrition
UKS2	Year5	Physics Forces	Physics Earth and Space	Chemistry Materials and Change of State Materials	Chemistry Materials and Change of state Types of Change	Biology Animals including Humans Reproduction and human development	Biology Animals including Humans Reproduction and human development
	Year6	Physics Electricity Changing Circuits	Biology Animals and Humans Evolution and Inheritance	Physics Light	Biology Circulatory System	Biology Classifying	Biology Nutrition
