What I Must do to Keep Safe Online and With Devices

Online means anything connected to the internet. Most devices

and apps are connected to the internet.

Devices are technology like: computers, laptops, games consoles,

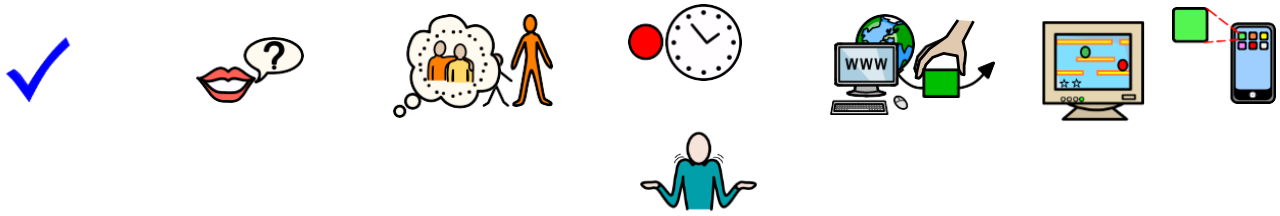

tablets and smart phones.

I will only use the devices I am allowed to use.

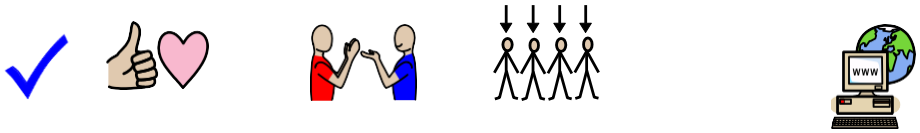

I will ask a trusted adult before I use new websites, games or

apps.

I will ask for help if I'm stuck or not sure.

I will be kind and polite to everyone online.

I will tell a trusted adult if I feel worried, scared or nervous when I am using a device.

I will tell a trusted adult if I feel sad, angry or embarrassed when I am using a device.

I will tell a trusted adult if I feel bad or unsafe when I am using a device.

I know people online sometimes tell lies.

They might lie about who they are or where they live.

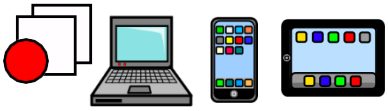

I never have to keep secrets from my trusted adults.

I will not change clothes or undress in front of a webcam.

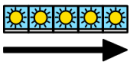

I will always ask a trusted adult before telling anyone my private information or location.

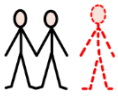

I know that anything I do or say online might stay there forever.

It can be given to my family, my friends or strangers.

This could make me feel sad or embarrassed.
